ECHO CHURCH (BERGENFIELD)

### About the Family

I am married to Leah, a Montessori school toddler teacher. Leah and I have been learning what it is like to invest our time helping others become faithful followers of Christ.

We have three adult children. Jim is 26 and teaches middle school in Nashville, Tenn. Elizabeth is 24 and works with the Biblical Recorder publication in North Carolina. Ingrid is 22. She just finished biology.

We lived for 10 years in Winston Salem, N.C., before Leah and I moved back to New Jersey.

### About the Church Plant

Our vision: Initiating healthy, multiplying, disciple-making faith communities in Bergenfield, New Jersey and beyond.

We are in Bergenfield to ECHO the gospel. We believe that making disciples who make disciples is the core purpose of the church. That is why we are intentional in engaging people with the gospel and equipping them to do the same.

We take to heart Jesus' words in John 20:21, "As the Father has sent me, I also send you." Echo church exists to "Love God, love others and help others love God!"
