CHRIST ABUNDANT CHURCH OF GOD INTL. (BALTIMORE/ANNE ARUNDEL)

### About the Family

God called us, but the challenges of church planting made us run from the call. I have worked as a teacher and banker in many countries. My wife was faced with a life threatening issue, and the Lord reiterated my call while in London while watching my wife, Idowu, lay in the coma for four days in the hospital. I made a vow to start the ministry and, with divine instruction, the Lord relocated us to the U.S. in 2013 with my daughter.

We have used the time to get to know our community and by forming a nonprofit that attends to the underprivileged. Idowu and I have been blessed with a strong and godly marriage and home with our beautiful daughter.

### About the Church Plant

Our mandate speaks of liberation and abundance in all facets of human existence. We focus mainly on destinies that have been afflicted, battered, beaten, tattered, deformed and are subsequently in groaning and agonies, as a result of pains, pangs and crying.

We believe in the will of God. "And God blessed them, and God said unto them, 'Be fruitful and multiply and replenish the earth and subdue it: and have dominion over the fish of the sea and over the fowl of the air and over every living thing that moveth upon the earth.'"

God said we shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper.
