CITIZENS CHURCH (ANNAPOLIS)

### About the Family

My wife, Rebekah, and I have been happily married for 3 years. God has called us to make Annapolis our home. We remember dreaming out loud about the kind of church we'd want to start someday. As God has graced us in our journey together and in following Him, He has called us to make that dream a reality by meeting the need of the city of Annapolis. The need for the gospel is apparent, and the need for belonging for those who are alone and without hope is present. God has called us to plant the church that we have always dreamed of being part of ourselves—Citizens Church.

### About the Church Plant

Citizens Church exists to remind the world that this is not our home. This purpose is relevant to the city of Annapolis. Our city has skeptics, military officers, college students, influencers, the rich and the poor. By cherishing the gospel, cultivating belonging and creating roots in our city, we hope to lift the eyes of those among us from this world to the heavenly city that awaits us. By faith, we will let our allegiance to the Savior who awaits us dictate our lives, our mission and our love here and now.

Eight months in, we have seen God grow our church from 15 to 45 on a Sunday. We anticipate new professions of faith, baptisms, and new members as we continue to be faithful in our work.
