### PRAY.

We are in need of more strategic leadership, particularly another staff pastor. Pray that God would strengthen and restore marriages in our community.

### PARTICIPATE.

We love hosting teams as it models and encourages mission. Additionally it helps to extend gospel presence through some of our city initiatives. Furthermore we love discovering new ways we can collaborate for the kingdom.

### PROVIDE.

There are numerous ways to help a church plant. Please visit [sendnetwork.com/planterfunding](http://sendnetwork.com/planterfunding) for NAMB's policy on providing for church plants.

## About the Family

I have been married to my amazing wife, Diamone, for seven years. She is also a musician serving our church as a music director and the culture as an artist. We have three very energetic kids who have never met a stranger. Serenity is 6, Joelle is 5, and Noah is 3.

## About the Church Plant

In 2014 a group of us moved to Miami with the heart to see a multiethnic, multiplying, gospel-centered movement. We've been able to see glimpses of that within our church. We're a diverse community of young families and creatives who are ambitious about the gospel advancing in Miami as we make disciples.
